Web Developer

Creative web developer dedicated to building and optimizing the performance of user-centric, high-impact websites for a wide range of clients.

AREAS OF EXPERTISE

- Leverage technical, analytical and problem-solving skills to create dynamic, high-speed websites, apps and platforms fueling competitive advantage and revenue growth.
- Success designing and updating websites and online applications using various programming languages, content management systems and design tools.
- Skilled team leader and trainer with a track record of directing direct multiple tasks effectively to ensure on target completion of all deliverables.
- Outstanding interpersonal and communication strengths leveraged to train users, troubleshoot website issues, and ensure total client satisfaction.

TECHNICAL PROFICIENCIES

Platforms: WordPress, Windows 7, Windows 10, Linux, Apache and AWS

Tools: HTML5, CSS3, PHP, JavaScript, MySQL, Git, Word, Excel, PowerPoint and Project

Professional Experience

Kreational, Acworth, GA

Web Developer (2015 – Present)

Define project schedules, track deliverables, and establish priorities for a team of 4 developers. Examine data integrity, encrypt data sent to MySQL database, and develop custom login and registration forms with password encryption using HTML and PHP. Utilize Bootstrap UI framework and develop responsive web designs for several screen sizes. Code WordPress child themes to ensure user-friendly and interactive layout for websites. Implement Chrome Developer Tools to inspect and diagnose HTML, CSS and JavaScript bugs quickly and efficiently.

Key Achievements:

- Collaborated with other developers to devise ecommerce and normal websites for multiple purposes.
- Established a content management system, and login system, for a blog website from the ground up.

Outback Steakhouse, Kennesaw, GA

Server, Training Coordinator (2010 – Present)

Designed and created training programs, methods and presentations for employees as well as developed training material. Coordinated scheduling and training of new hires to improve professional skills.

Education and Certifications

Bachelor of Arts, Information Technology, Southern New Hampshire University, Hooksett, NH, 2018

Associate of Science, Business Administration, Georgia Highlands College, Cartersville, GA, 2010

AWS Certified Solutions Architect - Associate
